These can be played on a computer, Smart TV (but NOT some models of Sony Bravia) or any Media Device with a USB port.

We film with two cameras so the video will be a mix of full stage and closers views. Samples of our work can be seen by clicking on the “Watch A Video” option on the Home page on our web site.

We aim to post out all orders in 4-6 weeks of the event. Digital Download orders will go out first. We have many events in November/December so it can take us a bit longer for shows in that period.
